

GRADING SPECIFICATIONS

SUPERIOR QUALITY

HISTORY, EXPERIENCE & DEDICATION CREATE HARDWOOD FLOORS OF THE HIGHEST QUALITY.

When we began manufacturing hardwood flooring it was our mission to consistently produce the highest quality wood flooring available. **We are proud to be NWFA/NOFMA certified;** a certification that provides an assurance that your wood flooring meets or exceeds industry standards for average board length, grade, configuration and moisture content.

Over the last 10 years, we have averaged

A 99.1% RATING

with NWFA/NOFMA, consistently

EXCEEDING INDUSTRY STANDARDS.

QUALITY ABOVE ALL ELSE.

This symbol certifies that our engineered and enhanced floors are made with real wood and have a thick wear layer; providing more resilience and the ability to refinish in the future.

35 YEAR WARRANTY

We are so confident in the quality of our hardwood flooring that we offer an unprecedented 35 year warranty on the wear layer of pre-finished flooring, and a lifetime structural warranty.

SUPERIOR PRODUCTS

SOLID HARDWOOD

APPLICATION: Rooms on and above grade.

RANDOM BOARD LENGTHS: 10" to 90"

SUPERIOR GRADES & LENGTHS

PREMIER GRADE

FEATURES:

- Some natural colour variation
- Slight tolerance in character marks, mineral streaking and pin knots
- No open knots, heavy mineral or character marks, stains, or checking

SELECT GRADE

FEATURES:

- Natural colour variation
- Mineral streaking, limited pin holes, small surface knots (no open knots) and checking
- Creates a floor full of visual texture

HERITAGE GRADE

FEATURES:

- · Allowance for pin holes, checking, heavy mineral streaking
- Large filled knots that can be up to two inches in diameter.
- Every Heritage Grade floor is unique, making it a great choice for those who want a diverse floor full of character.

SUPERIOR FLOORS

LENGTHS UP TO 90"

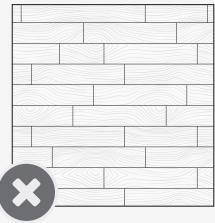

- Longer board lengths create a better looking floor
- Boxes are 90" long and never more than 3 boards in a row

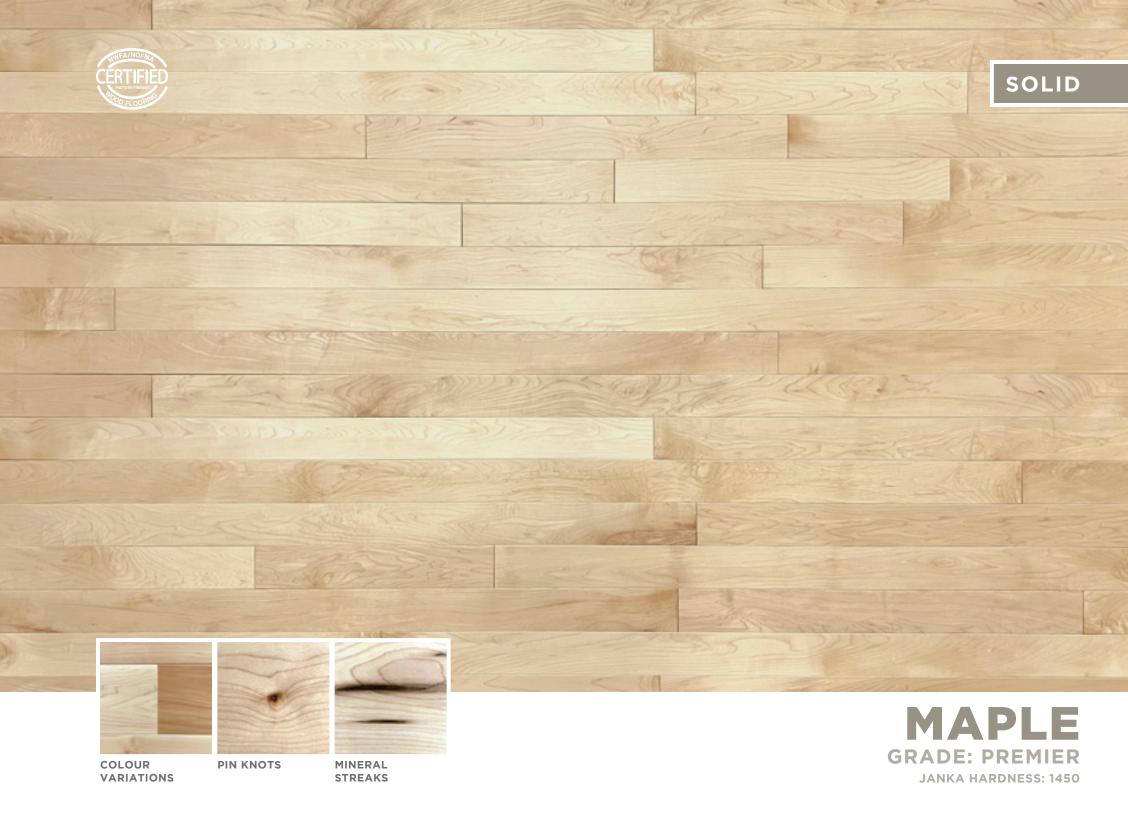

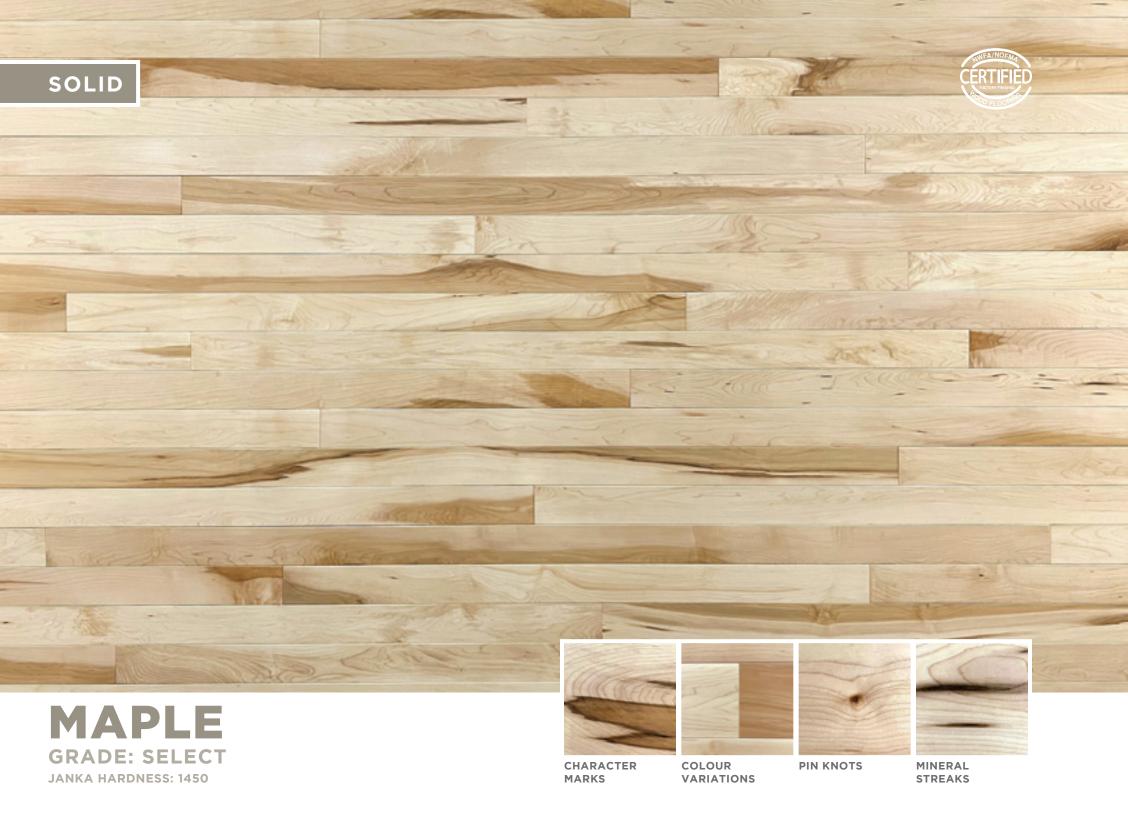

INDUSTRY STANDARD

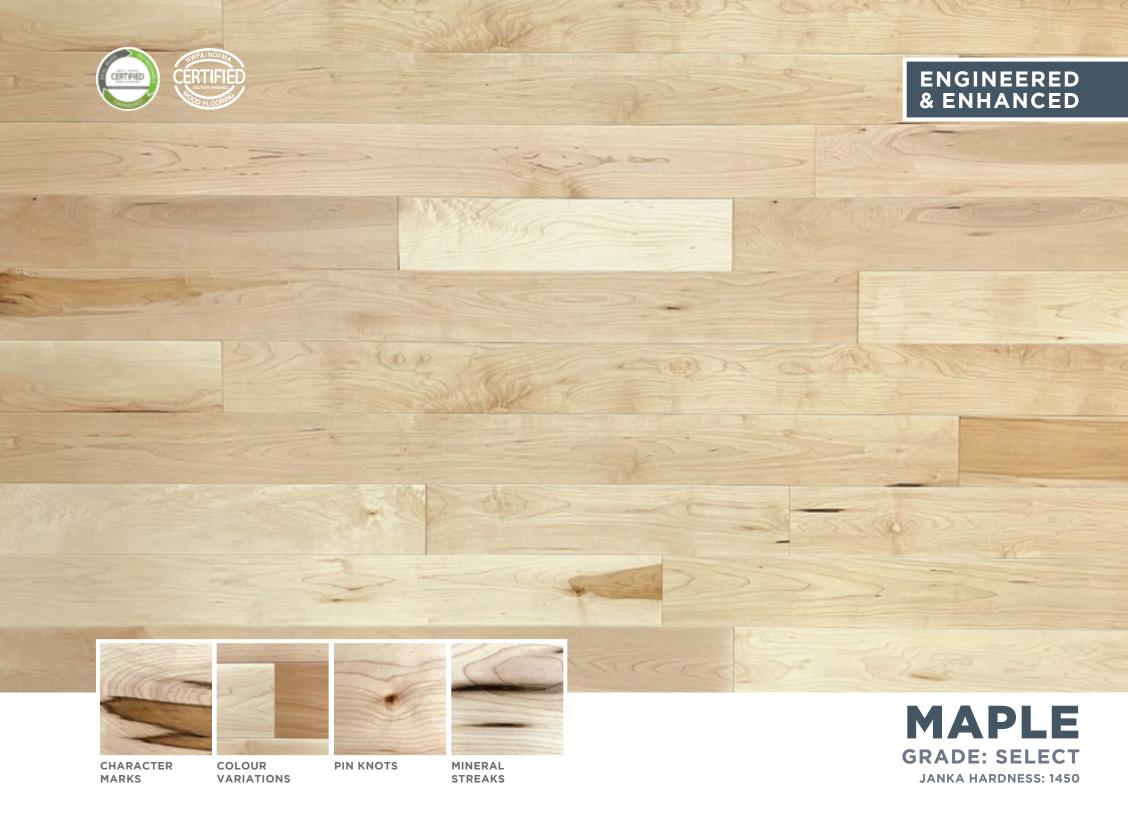

LENGTHS ONLY UP TO 72"

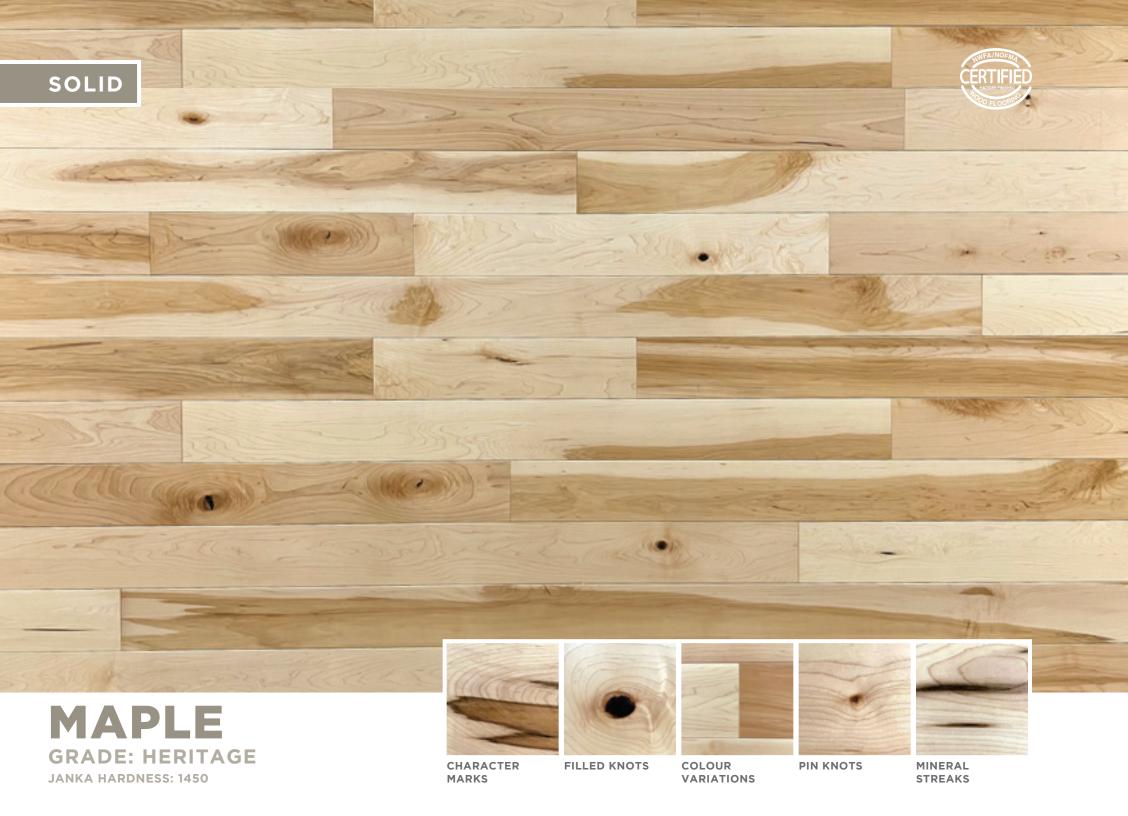

- Shorter boards means more joints, creating a visually busy floor
- More work to install with more boards
